

USB RECHARGEABLE JUICER

P102EST100

Practical rechargeable citrus juicer, allows you to easily squeeze citrus fruits without the encumbrance of the cable. Can be used anywhere, at the table but also outdoors. The large 250 ml glass collects the juice of two oranges. The powerful lithium battery, rechargeable using the included USB cable, gives the product an autonomy of up to 80 minutes. Also included is a dust lid to keep the juice always fresh.
