

WALL FAN WITH REMOTE CONTROL

P206VEN600

Wall fan particularly useful for hot summer days in rooms or offices with poor ventilation. Thanks to its wall mounting, it is also perfect for small rooms as it does not take up floor space and ensures better air circulation. 3 speeds and 3 ventilation modes, adjustable timer up to 7.5 hours and automatic horizontal oscillation, all selectable and adjustable from the included remote control. 2 metre cable for easy installation.
