## ICE MACHINE

P102CON550

Practical machine for quick and easy production of ice cubes. Makes up to 12 kg of ice in 24 hours, in two different selectable sizes. In a cycle of just a few minutes, 9 cubes are made and stored in the ice cube bin for always-ready ice. Equipped with a capacious water tank and two lights to signal basket full and low water. The product is easy and intuitive to use and to clean, also thanks to the self-cleaning function
