

RECHARGEABLE 2IN1 'CRISTAL' BLACK TABLE LAMP

P201UTP118

Rechargeable table lamp with touch-controlled activation. With a simple touch, you can choose between warm, cool, or natural light. The light intensity is adjustable by holding down the power button. Water-resistant, it can be used in both indoor and outdoor settings. The 33mm bottle adaptor provides an elegant alternative to the tabletop version, allowing you to place our lamp on your favorite bottle at the center of your table. USB charging cable included in the package.
