DIGITAL AIR FRYER 5L

P101FRI051

Hot air fryer is the healthiest alternative to traditional frying as it allows frying without or with very little oil. Also ideal for roasting, baking and grilling. Digital operating panel with sensitive touch sensor to choose from 8 pre-set programmes, to adjust temperatures from 80 to 200°C, and to set the timer for up to 60 minutes. 5 litre capacity container and removable non-stick aluminium grid for easy cleaning. Overheating protection.
