

OIL AND CONDIMENT SPRAYER 300ML

C102SPE002

Made of glass and BPA free plastic with transparent graduated container

Useful for cooking and for correctly dosing the seasoning, especially for those who want to use it to season food in a light way

Also ideal for use with the hot air fryer, spraying oil instead of using a brush when cooking and frying, precisely because it makes it easier to control the amount of oil.

Also usable for other liquid condiments such as vinegar, lemon juice, soy sauce, and water etc.

Capacity: 300 ml
