

RECHARGEABLE TABLE LAMP - PINK

P201UTP125

Rechargeable table lamp with touch switch. With a simple touch, you can choose between warm, cold or natural light. The light intensity can be adjusted by holding down the power button. Water-resistant, it can be used both indoors and outdoors. The included 33mm bottle adapter offers an elegant alternative to the table version by being able to place our lamp on your favourite bottle in the centre of your table. USB charging cable included in the package.

2in1
Utilizzabile come lampada normale
