

DIGITAL AIR FRYER 7L

P101FRI070

Air fryer is the healthiest alternative to traditional frying as it allows frying without or with very little oil. Ideal also for roasting and grilling. Digital control panel with touch screen to select among the 8 pre-set programs, to adjust the temperature from 80 to 200°C, and to set the timer up to 60 minutes. Non-stick 7 liter pot and rack, removable for easy cleaning. Protection against overheating.
