

PIZZA OVEN WITH PORTHOLE

P101CUD301

A great ally for preparing and enjoying pizza to your heart's content whenever you want. It cooks pizza perfectly in less than 5 minutes thanks to its temperature of up to 400°C and heat-resistant refractory stone. Suitable for freshly kneaded or frozen pizzas. With 5 adjustable cooking levels and 15-minute timer. The 31 cm diameter cooking plate is easily removable with heat-insulated handles for serving pizza at the table and for easy cleaning. Ideal for baking or reheating bread, piadinas, toast, savoury pies and many other dishes. Window to display cooking progress. Pair of steel paddles with heat-insulating handle
