

BRUSHLESS HAIR DRYER

P301ASC010

Hair dryer with Brushless DC motor of 1800W and 110 thousand RPM, for powerful performance and extended motor life. 3 speeds and 3 selectable temperatures are available to adapt the drying to your needs and guarantee maximum comfort of use, with LED indicator lighting up in different colours according to the temperature selected. The practical cold air blow allows you to fix your hairstyle for long-lasting results and the self-cleaning function of the grille keeps performance at peak with minimal maintenance. Includes magnetic styling concentrator accessories for styling and diffuser for volume at the roots.
