

## DIGITAL MIST FAN

### VE.510

Fan with modern and practical design. This fan is ideal for giving freshness to all domestic environments thanks to the digital control panel with the nebulization function, the 3 operating modes (normal, breeze and night) and the 3 selectable speeds. With timer up to 12 hours, programmable also from the convenient remote control supplied. Automatic horizontal swing and integrated 2-litre water tank. The wheels supplied allow you to move and place it in any corner of the room.
