

2 IN 1 RECHARGEABLE EPILATOR

3BEPI001

Epilator with a modern design with wire or rechargeable operation. Lithium battery for fast 90 minute recharge and a range of up to 40 minutes. Possible two functions with a single product thanks to the two heads: one with large tweezers for effective epilation and the other with a delicate razor on the skin. Two selectable speeds and light to identify the thinnest hairs. Travel case and cleaning brush included. Ergonomic handle for easy grip.
