Diámetro 50 cm

Beper S.r.l.

Via Antonio Salieri, 30 37050 Vallese di Oppeano (VR)

www.beper.com

The image displays the Beper P206VEN640 ceiling fan with LED light. On the left, a top-down view shows the fan's dimensions: a diameter of 50cm and a height of 14.5cm. Below it is a white remote control with various buttons and the Beper logo. The central part of the image is a dark blue panel with nine circular icons, each representing a feature: 20W power, 3200 LM LED, 3x speed, remote control, 4H timer, 3 light colors, silent mode, 2 flow directions, and dimmable intensity. On the right, a hand holds the remote control, and a circular inset shows the fan's light ring with three colored segments (yellow, blue, white). Below this, another circular inset shows the fan with red and blue arrows indicating two flow directions.
